Three bedroom house is located at Kamares, Larnaca.

Kamares is located to the west of Larnaca town and close to the salt lake, overlooking some of the best views the city has to offer, including the town's largest park. Kamares district is very accessible from all direction, close to all amenities and immediate access to the highway.

As you enter the house, there are two spacious living room areas awashed with natural light through the balcony doors. Also, there is a welcoming wooden made kitchen fully equipped with electrical appliances. The house consists of three large bedrooms, one family bathroom and one guest toilet.

Additionally, the kitchen offers a privileged access to the back yard.

Last but not least, on the outside of the house you can find nicely verandas perfect for relaxing.

Covered Living Area 143m² plus Plot Area 251m²
