

## Large Development Residential Land for Sale in Dromolaxia Area

€1,200,000

 Dromolaxia, Larnaca

Area

 12041 m<sup>2</sup>

For sale is a large development land with a total plot size of 12,041 square meters, located in the sought-after area of Dromolaxia. This spacious plot offers excellent potential for a variety of development projects, making it ideal for investors, developers, or those dreaming of a large private estate.

Dromolaxia is a well-connected and growing area, known for its convenient location close to all necessary amenities. The region features a mix of modern infrastructure and traditional charm, with local shops, schools, and easy access to the main road network. The area is peaceful but close enough to city life for comfort and practicality.
